**REQUEST FOR APPROVAL OF DRAWING CORRECTIONS**

Commissioner of Patents

Dear Sir:

In response to the Office Action mailed March 23, 2004, submitted herewith is formal drawing Figures 1-10, on 24 sheets. For consolation of figures more than one figure is placed on some of the pages, in Figure 1C the location of bear 128 is moved from the top side to the right side of the pillow, and in Figure 2 dotted lines suggesting horse and cowboy 228 have been altered to generically stylized figures in the interest of not utilizing any potentially protected works. No new matter has been entered.

Applicant strongly requests favorable consideration by the Official Draftsman since patent prosecution funds are very limited and there appears to be applicant is experiencing current commercial success with the invention.

Respectfully submitted,

Julia S. Faircloth
